

## QUALITY AND ENVIRONMENTAL POLICY

**Laurini Officine Meccaniche S.r.l.** has been operating internationally for decades in the field of designing and manufacturing pipeline machinery, pursuing technical excellence, sustainable innovation, and customer satisfaction.

The company's **Vision** is to become the global benchmark for companies with specific technical requirements by providing innovative, high-quality solutions and enhancing customer and industry competitiveness.

The **Mission** is to listen to its customers and, through its experience and expertise, build machines that, thanks to their quality and robustness, perform their tasks excellently.

Management has adopted an Integrated Management System in compliance with ISO 9001:2015 and ISO 14001:2015 standards, as a tool to guide the organization in the continuous improvement of performance, in environmental protection, and in achieving results consistent with its corporate strategy.

To this end, **Laurini Officine Meccaniche S.r.l.** is committed to:

- understanding and meeting customer needs and expectations promptly and effectively, promoting ongoing dialogue and collaboration;
- ensuring compliance with applicable requirements, including mandatory, contractual, and voluntary ones regarding quality and the environment;
- designing and manufacturing reliable, safe, high-performing, and sustainable machines, reducing risks and associated environmental impacts;
- preventing pollution and using energy and material resources rationally and efficiently, also through the adoption of innovative technologies;
- creating an internal environment that fosters engagement, accountability, and the development of employee skills;
- continuously improving the effectiveness and efficiency of its processes, measuring performance, and setting measurable objectives consistent with this Policy.

This Policy is communicated to all staff, shared with stakeholders, periodically reviewed, and serves as the reference framework for defining the strategic objectives of **Laurini Officine Meccaniche S.r.l.**
